All about Samson Activity

Directions:

- Cut around the border of the first page. Cut along dark line between *who, what, when, where, how* just to the **dotted line**.
- Put glue **only** to the **left** of the dotted line and paste onto a colored piece of construction paper. You should be left with the **flaps** of the *who, what, where, when, and how*.
- Cut along dotted lines of the pictures and answers on the second page.
- Match and glue the clipart photos to the **back** of the *who, what where, when and how* flaps.
- Match and glue the answers next to the flaps onto the colored constructions paper.

You should have an activity that looks like this:
