

Name _____

Date _____

Contraction Action

A **contraction** is a short way to put two words together. An **apostrophe** takes the place of one or more letters.

For example:

My shoes are not muddy.

My shoes **aren't** muddy.

Practice putting two words together using “*contraction action*” (using the apostrophe in the place of one or more letters). Write the contraction on the line under each word.
